General Practice Central Services (GPCS):
All Jersey GP Practices and other approved healthcare service providers, such as the out-of-hours doctors, use a central medical records system known as EMIS. This allows access to a 'shared medical record' to ensure that the provider or clinician has immediate up-to-date and accurate information about your health and any current treatment you may be having. You do however have the right to 'opt out' of sharing some or all of your medical records. Please ask us for more information and where appropriate an Opt-in/Out Form for completion. All approved healthcare service providers with authorised access to GPCS have signed strict confidentiality agreements which are bound by the Data Protection (Jersey) Law 2018.
